

WAR TROPHY OF '61 HAS MESSAGE FOR OUR BOYS

GENERAL SHERWOOD'S FAREWELL LETTER TO 111th OHIO SOLDIERS

Resurrection of Manuscript Reveals Gratitude Expressed by Our Noble Hero and Veteran.

In hunting through some old "family belongings," one never will know what he might find. Even some old photographs taken in '53 were found by Mr. A. J. Witzler recently and among many other valuable keepsakes was a copy of Gen. Isaac R. Sherwood's farewell letter, given by him, personally to every soldier in his command (the 111th Ohio) as they were mustered out of service at the close of the war:

Soldiers of the 111th Ohio:

We are about to separate as soldiers, and go to our homes as citizens. Before we part allow me to thank you for the generous courtesy you have always shown me as your commanding officer. The work which we enlisted to perform has been well done and you go to your homes with the proud assurance of having participated in the most decisive battles of the war. For your heroic conduct at Franklin, you were complimented in "General Orders," and on twenty battle fields you have carried the tattered flag of the 111th Ohio in the front line, and sustained it triumphantly. I do not part with men with whom I have been so intimately associated for three long years, without feelings of regret. These soldier friendships, formed in bivouac and on the battle field, will never be forgotten; and I shall ever remember your unswerving fidelity with the liveliest emotions of pleasure. You go to your homes as American citizens, knowing what it has cost to maintain our national integrity. Show by upright, honorable lives, my fellow soldiers, that you fully appreciate those sacrifices. Remember our brave comrades who fell at Stone River, Huff's Ferry, Loudon Creek, Campbell's Station, Knoxville, Strawberry Plains, Rocky Face, Resaca, Dallas, Burnt Hickory, Pine Mountain, Kenesaw, Peach Tree Creek, Atlanta, Utoy's Creek, Lovejoy's Station, Columbia, Franklin, Nashville and Fort Anderson. Many of them are lying in unknown graves. Let us ever cherish their memory with reverence. Let us show by our

CIVIC ASSOCIATION FLASHLIGHTS

One! Two! Three! Altogether for a clean-up day. Let every citizen of Perryburg be responsible for the neatness of their yards and alleys.

Don't forget that we live along the beautiful Maumee. Let us appreciate it.

Fifth street is going to be paved. Why not Front street next?

Every citizen missed something by being absent from the last meeting to hear Prin. P. W. Breisach address the Association.

Let us give "our boys" a rousing reception when they reach Perryburg from "over there."

Too many people look backward instead of forward and thus become as valuable as Mrs. Lot turned to salt.

Are we all proud of the fact that we shall have an ornamental park lighting system for Main street?

SCHOOL NOTES

High School.

The Junior class of P. H. S. delightfully entertained the high school and faculty at a St. Patrick's party Monday evening. In the decorations the class colors of green and white contrasted beautifully with the green of St. Patrick. Many lively games were played, after which palatable refreshments were served.

The Athenian and Phi Sigma Literary Society have elected their contestants for the coming Inter-Society contest. They are:

Athenian.

Essay—Jeanette Lowmsbury. Oration—Elizabeth Spybey. Reading—Daisy Lehr. Debate—Gordon Pheley and Richard Russell.

Phi Sigma.

Essay—Eloise Simmons. Oration—Vernon Sprague. Reading—Mary Fuller. Debate—Murr Canfield and Ben Davis.

A very interesting contest is to be expected. It will probably be held the last Friday in April.

The teachers held a meeting last Monday, during which they discussed many questions pertaining to the welfare of the school.

The county and district declamatory contest will not be held this year but a local contest will be held in its stead and prizes will be given to the winners.

Sixth Grade.

Mrs. Hamilton has returned to school after a long illness. We all welcome her return.

Third Grade.

In our "weekly spelling match" the boys won the honors.

There were more pupils absent Monday, March 17, than at any one time this year.

A few days ago we played the game "borrowing." The children were all asking for nearly the same things. The teacher suggested that the others ask for something a little different. The next girl asked, "May I borrow your false teeth?" The reply was "I am sorry but I have none."

DEATH OF MRS. MUTOHLER

Those who survive are: Fred of Lima City, Henry, Charles, Irvin and Albert of Middleton township, and Mrs. Homer Cops of Perryburg; 25 grandchildren and two brothers, Adam E. and Henry C. Leydorf, both of Perryburg.

Death came at 8:15 a. m. Sunday, March 16, 1919.

TEN-ACRE CORN CONTEST

Rules for the Men's Ten-Acre Corn Contest conducted by the College of Agriculture are being sent to the county agents.

This contest has been conducted for the past two years and the results have been very gratifying. Men have enrolled in the contest from more than 50 counties. Of the total number who finished the work during the two years, four men have qualified for the "100 Bushel Corn Club of Ohio" by producing 100 or more bushels per acre on the ten-acre plot, after being reduced to a uniform moisture content of 20 per cent.

The enrollment promises to be much larger this year than it was last year. Anyone interested in taking part in this contest can secure a copy of the rules and entry blank from the county agent or by writing to the Department of Farm Crops, Ohio State University, Columbus, Ohio.

ENGINEER EMPLOYED TO FURNISH ESTIMATE

BASKET BALL.

By R. E. R.

Friday night P. H. S. boys met the strong Cathedral High team of Toledo and they also met defeat by the tune of 51 to 8.

P. H. S. played hard, but were unable to hold off the veterans. The Cathedral bunch put up a good game, dropping the ball through the net from all angles and scoring as they pleased. P. H. S. played up to their old form, but were not accustomed to the tactics of the fast, well coached Toledo quintet. Captain Thornton, Ballantyne, Roberts and Johnson scored for P. H. S., while the two McKeown brothers and Dugan saw to it that Cathedral got their share.

The game between the P. H. S. girls and the Alumni was all that any one could expect a good game of basket ball to be. The Alumni had a good team, but the absence of several good old-timers weakened the team to a great extent. The P. H. S. girls played as usual with a few changes in the line-up and scored quite frequently. Wilma Waggoner led the scoring for the girls, with Vera Hufford next.

The Town team vs. the Macks five was the best game of the season. The Macks five is heralded as the leading team of Toledo, and has quite a string of victories. The Macks took the lead and at the end of the first half the score stood Perryburg 10, Macks five 24. In the second half Perryburg took the lead, the result of which they won the last half; score Perryburg 23, Macks five 18. Total score, Perryburg 33, Macks five 42. Smith with 20 points to his credit led the scoring for Perryburg with Nietz having 13 points.

Schriever was high man for the Macks five with 22 points to his credit. Dugan, Bassfield and Hooks gathered in the remaining points.

P. H. S. boys and girls' team play at Haskins Friday. Every one who possibly can should accompany the team on its last journey.

Approximate Cost to be Ascertained

NEW LIGHTING PROJECT IS PROGRESSING RAPIDLY

Replanting Shade Trees Will Add to Beauty of Street.

The proposed park lighting system for Perryburg's business section is to be looked forth to as an actuality. At the regular meeting of the council Tuesday night an order was passed to employ Mr. F. H. Froelick of the Froelick & Emery Engineering Co. of Toledo, to furnish plans, specifications and an estimate of the cost to install the proposed improvement.

Perryburg needs a better lighting system on its "up-town" business street and every one will agree that if the old shabby wooden poles are removed, together with the numerous old dead trees and a sufficient number of ornamental iron lamp-posts installed in their stead with new and hardy shade trees alternating, that the street will be one to be proud of instead of the disgraceful "eye-sore" it now is.

MAIL CARRIERS' CONTEST

Floyd Adams of Cygnet is the first Wood county mail carrier to enter the Ohio War Saving Committee Contest, winner of which gets a lake trip in August to Mackinac Island and return.

A special course in salesmanship goes with this contest.

Contest open to all mail carriers. OHIO WAR SAVING COMMITTEE.

Forgot What He Needed.

From the Republican, Mt. Gilead, Ohio: The editor had an interesting experience some time ago, when a young gentleman came to this office and asked for a copy of the Morrow County Republican. He scrutinized it carefully when a copy was handed him, and then said: "Now I know! What is it you are looking for?" we inquired. "My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerks named over everything in the line on the shelf except 'Chamberlain.' I'll try again, and I'll never go home without Chamberlain's Cough Remedy." The Republican would suggest to the proprietors of stores that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted, to say nothing of the injustice to makers of good goods and the disappointment of customers.
